Zack Gordley, son Henry and nephew Edward Gordley, all of Augusta, were yesterday held to the Federal Grand Jury at Covington in \$1,000 bail each. They are charged with moneying with counterfeit money.

Hi Henry is a careful man. When his big minstrel band passed up Second street last night, they were guided by the light of three immense flambeaux. Mr. Henry was afraid some of his boys might fall into a mudhole and drown.

Colonel William Rosser returned a few days ago from a prospecting tour, and finding Portsmouth about the liveliest burg in the Ohio Valley, he will engage in the saloon and restaurant business there. For the present, his family will remain here. Colonel Rosser is a typical "old Virginia gentleman," and during some fifteen years residence in this city has made many friends who will regret his leaving, but who wish him unbounded success in his new home.

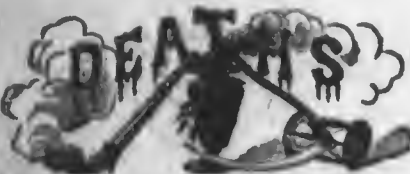

WILSON-LANE.

Mr. Charles Wilson of Sharpsburg and Miss Zona Lane of Morpysville were married yesterday afternoon at the Parsonsage at Washington by the Rev. T. S. Buckingham.

Mrs. Owens was in the seventy-third year of her age.

Surviving she leaves one daughter, Mrs. Curtis of Jersey City, N. J., who was with her at the time of her death.

Mrs. Owens has also four brothers, V. B., T., Roger and James C., and one sister, Miss Eliza Owens, all residing in this county.

The funeral arrangements were not obtainable, but the interment will probably occur tomorrow.

Ray's line of stationery is the latest. Call and examine it.

Joseph Kerr, aged 58, died of consumption this week at his home near Hiett, O.

Thomas P. Foster has moved his family with his paper, The Record, from Ripley to Higginsport, O.

One Minute Cough Cure gives relief in one minute, because it kills the mucus which tickles the mucous membrane, causing the cough, and at the same time clears the phlegm, draws out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all curable Coughs, Colds and Croup. One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. J. Jas. Wood & Son.

Hi Henry's Minstrels pleased at two performances at Washington Opera-house yesterday. The company is made up of clever artists and the specialties in the second part were of unusual merit.

At a meeting of a number of distillers and wholesale whisky dealers at Louisville Tuesday, preliminary plans were formulated for organization of a mutual fire insurance company to carry risks on whisky in bond and distillery property.

### WHEN WE WERE TWENTY-ONE.

The theater-going public of this city have a genuine treat in store in the new play called "When We Were Twenty-one." This play tells a story so pure and so true to human life and the tragic moments that come to the life of so many that it goes straight home to every heart. There is no rant, no effort made to draw sympathy by any known stage trick, for it speaks direct to the heart. Though dealing with one of the most dramatic phases of human life, it is heightened with the light and shade of human experience. The author has given a true and delightful play to the world. At the Washington Opera-house Saturday, February 14th. Seats go on sale Friday morning.

These famous little pills exert a decided tonic effect upon the organs involved, and their use is continued for a few days there will be no return of the trouble. J. Jas. Wood & Son.

The Eastern newspapers are exposing some of the methods of the gilt-edged swindlers who are publishing "The Book of the Presidents," so extensively advertised a few months ago.

Dr. McNew, Editor of The Carlisle Democrat, who also edits the Nicholas County Judgeship, is far and away one of the rip-roaringest Goebelites in Kentucky; and yet he can see through a millstone when there's a hole in it. In a recent editorial entitled "A Travesty on Justice," the Doctor used this vigorous language—

"The Kentucky law regulating the selection of Juries for the trial of cases in the Circuit Court is in many respects a fraud and a travesty upon justice. This law empowers the Circuit Court Judge to take the box containing names selected by the Jury Commissioners who are selected by him into a room where no one can witness his doubtful methods, and take out thirty names to be used at the next term of Court.

"If this Judge happens to have a bias or prejudice and is a real rascal or trickster of the filthy kind—and some of them are—he in his selection can so manipulate the drawing of the names to be used so as to virtually 'pack' the Jury with individuals whose minds are already made up on certain social, political and religious questions, and thereby convict an innocent man he doesn't like, who by the reason of infamous methods of this same class of rascals, has been brought before this same trickster Judge for trial.

"Anyone with no more sense than a goose can readily see and understand how, with these surroundings and manipulated by the right kind of political tricksters and unmitigated scoundrel posing as a Circuit Judge, that justice under the law and its intentions can be thwarted and driven from the Courts of our state forever. This law should be so changed as to have these Jury drawings made in public or before the officers of the Court."

The remarks of Judge McNew are respectfully referred to the gentleman or gentlemen who so singularly hit upon unanimously Goebelite Juries to try the cases against CALEN POWERS and JIM HOWARD.

HAVING listed for taxation the \$3,000 surplus in the Flemingsburg City Treasury, the Flemingsburg County Board of Supervisors should at once proceed to levy a tax on Flemingsburg's handsome Graded School Building—and the town pump.

The monthly statement of the public debt shows at the close of business January 31, 1903, the total debt, less cash in the Treasury, amounted to \$943,942.563, which is a decrease for the month of \$3,222,116. Ah, boys, this is a great country of ours!

A DISPATCH from Washington says the President will reappoint Mr. DICKEY Postmaster at Cynthiana. Editor WILSON of The Log Cabin was an applicant for the place, and his services to the party certainly entitled him to it; but politicians have little use for newspapermen after they once get into power.

THE Courts are not alone to be held responsible for the non-enforcement of the laws. The greater part of the responsibility must be placed upon the Juries, and behind them, the public from which the Juries are drawn.—Courier-Journal.

How about the "criminal lawyers" who "fix" the Juries—a la TOM COURTHOUSE CAMPBELL once of Cincinnati and the Honorable Big A Little A RON KONX of your own city? In every murder trial which took place in Louisville last year in which Mr. KONX was the defendant's Attorney, the Jury voted the accused "Not Guilty." That is the record published in The Louisville Times.

## Paine's Celery Compound

Has Proved a Blessing to Thousands of Our Schoolteachers Who Were Victims of Nervous Prostration, Insomnia, Dyspepsia and Irritability.

Mr. C. C. Harper Says:

"The Use of Two Bottles Completely Restored My Health."

Nervous prostration, insomnia, dyspepsia, constipation, and impure blood make life a weary burden for thousands of our school teachers. When nerve force is low, the brain tired, and indigestion in a disordered condition, there is irritability, bad temper, impatience, often great despondency. Under such circumstances, the grand work of teaching can never be successful.

Paine's Celery Compound is doing a wonderful work for half-sick and run-down school teachers in every part of the land. Thousands engaged in the work of educating the young are kept well from year to year by the strengthening virtues of Paine's Celery Compound. It is daily raising to new life men and women in all classes of society. It is the one medicine that makes pure blood, strong nerves, and good digestion.

Mr. C. C. Harper, School Teacher, of Mount Carmel, Ill., says:—

"My school work has proven a great mental strain, and I found myself thoroughly worn out and almost prostrated. I commenced the use of Paine's Celery Compound with splendid results. The use of two bottles completely restored my health. I have been in my present position eight years, and I am certain that your medicine has enabled me to carry on my school work, when without it, I should have been compelled to give up. I will take great pleasure in recommending Paine's Celery Compound, for I know that it is good."

## LESSON IN AMERICAN HISTORY IN PUZZLE

THE FIRST STEAMSHIP ON THE HUDSON.  
Find Robert Fulton.

Robert Fulton did not build the first steamship, but he did first demonstrate the practicability of steam navigation. John Fitch, among others, had built some three or four boats before Fulton began his, and it was undoubtedly from Fitch's drawings, for several months in the hands of Fulton, that the Katherine of Clermont was constructed after the death of Fitch. The first voyage of the Katherine of Clermont was made in the summer of 1807, the boat leaving the wharf at New York on August 11 of that year and completing the trip to Albany 32 hours later. During the remainder of that season the boat continued to run as a packet between New York and Albany. Previous to this success Fulton had constructed a steamboat in France, and before and after the voyage of the Clermont patented a number of maritime inventions, among which was an unsuccessful submarine boat. He died in New York February 24, 1815, at the age of 50 years.

## BLIND-FOLD.

The sick woman who uses Dr. Pierce's Favorite Prescription may do so with absolute confidence. It invites open-eyed investigation. There need be no hesitation in following the hundreds of thousands of women who have found a perfect cure for womanly ills in the use of this medicine.

"Favorite Prescription" cures irregularity and dries weakening drains. It heals inflammation and ulceration and cures female weakness.

"With a heart full of gratitude to you for sending out over the land your wonderful medicine I send these few lines, hoping that some poor suffering women will try Dr. Pierce's medicine," writes Mrs. Cora L. Root, of Greenspring Furnace, Washington Co., Maryland. "I had suffered severely from female weakness and had to be in bed a great deal of the time. Had headache, backache, and pain in left side when lying down. I commenced taking Dr. Pierce's Favorite Prescription, and had not taken two bottles when I was able to be around again and do my work with but little pain. Can now eat anything and it never hurts me any more. Have taken seven bottles of Dr. Pierce's Favorite Prescription, and one of his 'Compound Extract of Sarsaparilla' and several vials of his 'Pleasant Pellets.' Feeling better every day. My husband says I look better every day." Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

The Commercial says the Rev. James Wood Pogue has been granted the use of the Police Court room to pray for the city officials of Cincinnati.
